The Domtar Electronic Imaging Guarantee reinforces our commitment to superior print quality and excellent performance within all varieties of digital print applications when utilizing the recommended guidelines established by the equipment manufacturer. The Domtar Electronic Imaging Guarantee applies to mill finished cut-size products and will be null and void if utilized outside the recommended guidelines determined by Domtar and the equipment manufacturer. Domtar advocates paper testing on your digital equipment prior to purchasing large quantities of product to substantiate compatibility.

It all begins with paper.
